Keep records of each transaction you make with your Mogo Platinum Prepaid Visa Card and check that the transactions are accurate. You can view your account information and transaction history by logging on to your MogoAccount at www.mogo.ca. Email or call immediately at help@mogo.ca or 1-800-980-6646 if you see any errors relating to your transaction history. You cannot use your Mogo Platinum Prepaid Visa Card for any illegal or improper purpose. We may prevent your Card or your Card number from being used for certain types of transactions as decided by us.

You agree that we can deduct the amount of your transactions and applicable fees directly from the balance of your Mogo Platinum Prepaid Visa Card. If your Mogo Platinum Prepaid Visa Card does not have a sufficient balance to cover an amount owed to us, your Mogo Platinum Prepaid Visa Card will be declined or you will pay that amount immediately on demand.

Additional Personalized Cards. You may request up to 4 additional personalized Mogo Platinum Prepaid Visa Cards for your own use, subject to applicable fees and subject to availability. Mogo reserves the right to reject a request for one or more additional Mogo Platinum Prepaid Visa Cards in its sole discretion. Any value loaded to any linked Mogo Platinum Prepaid Visa Card may be accessed by the other linked Mogo Platinum Prepaid Visa Cards. All linked Mogo Platinum Prepaid Visa Cards are governed by this Agreement, and all loads and transactions on linked Mogo Platinum Prepaid Visa Cards will be considered together for purposes of the Mogo Platinum Prepaid Visa Card limits noted above.

Protecting your PIN. You were asked to set a 4-digit Personal Identification Number (PIN) when you ordered your Mogo Platinum Prepaid Visa Card in order to have access to ATM cash withdrawals, and execute point of sale transactions. You must always protect the security and confidentiality of your Mogo Platinum Prepaid Visa Card number and PIN. To keep your Mogo Platinum Prepaid Visa Card and PIN safe, do not tell anyone your PIN and if you record your PIN, keep it separate from your Mogo Platinum Prepaid Visa Card at all times. You cannot change your PIN. If you need to change your PIN, you will need to replace your Mogo Platinum Prepaid Visa Card and a replacement card fee will apply. Mogo will never ask you for your PIN.

If your Mogo Platinum Prepaid Visa Card is lost or stolen, you will not be responsible for any unauthorized transactions provided you have taken reasonable care to safeguard your Mogo Platinum Prepaid Visa Card from any unauthorized use and have not been grossly negligent or have engaged in fraud. This policy does not apply to any transactions where your PIN is used. You are responsible for the full amount of all activity and unauthorized or fraudulent activity resulting from the use of your Mogo Platinum Prepaid Visa Card when the PIN is used.

Unblocking your PIN. Your PIN will be blocked if you enter it incorrectly three times in a row at the point of sale or an ATM. To unblock your PIN, go online to www.mogo.ca and follow the instructions to retrieve your PIN. Once you have retrieved your PIN online, go to any ATM, insert your card and enter the correct PIN when prompted. This will unblock your PIN. You do not have to complete a transaction at the ATM to unblock your PIN. A fee may be charged by the ATM service provider.

Lost or Stolen Cards. Call immediately if you believe your Mogo Platinum Prepaid Visa Card or PIN has been lost or stolen at 1-800-980-6646, 24 hours a day, 7 days a week. Once you report your Mogo Platinum Prepaid Visa Card lost or stolen, we will immediately cancel your Mogo Platinum Prepaid Visa Card and help you replace it, assess any corresponding fees and ensure the remaining balance from your cancelled card, after all transactions have been processed, is available on your replacement Mogo Platinum Prepaid Visa Card. A replacement card fee will apply.

Changes to fees and terms of this Agreement. This provision does not apply in Quebec. We may change the terms of this Agreement at any time. If we increase a fee or establish a new fee, we will let you know by sending a notice by electronic mail ("email") to the most recent email address we have for you at least 30 days in advance and by posting a notice at www.mogo.ca at least 60 days in advance. If we make any other type of change, we will let you know at least 30 days before the changes take effect by posting a notice at www.mogo.ca or by sending you a written or electronic notice to the most recent email address we have for you. Any changes will become effective on the date shown on the notice.

Authorizations and Authorization Holds. Some merchants may require that a temporary hold be placed on funds, for example if you make a hotel, cruise or restaurant reservation, rent a car, or buy gas at pay at the pump gas stations. For travel services, these funds may be held until the end of your trip. Some merchants may add an amount to ensure that sufficient funds will be available to cover the final transaction (such as an estimated tip). We will however, only charge your Mogo Platinum Prepaid Visa Card for the correct amount of the final transaction, and will release any excess amount when the transaction is complete. If you start a purchase and the merchant obtains an authorization, and then you cancel the purchase without completing it, the authorization may still result in a temporary hold for that amount of funds. It is important to know your Mogo Platinum Prepaid Visa Card balance if you use your Mogo Platinum Prepaid Visa Card to purchase these types of services.

Information About You. We collect personal information about you as necessary to issue the Mogo Platinum Prepaid Visa Card and process your transactions. This information includes your name, address, telephone number and date of birth, and information about the transactions you make using your Mogo Platinum Prepaid Visa Card (**Cardholder Information**). We use and disclose Cardholder Information: (1) as necessary to verify your identity; (2) for regulatory compliance purposes (including checking your identity against watch lists established by regulatory agencies); (3) as necessary for completing transactions or loads; (4) in order to verify the existence and condition of your Mogo Platinum Prepaid Visa Card for a third party, such as a credit bureau or merchant; (5) in order to comply with government agency or court orders or other legal requirements; and (6) if you give us express permission.

The Mogo Platinum Prepaid Visa Card is managed and administered by Mogo. As a result, Cardholder Information may be shared with, or otherwise collected, used and disclosed by, Mogo for the purposes described above.

job functions. Any questions or requests for access to or correction of your Cardholder Information should be directed to Mogo at P.O. Box 2419 Station Main Winnipeg, MB R3C 4A7 Attention: Privacy Officer.

In connection with the above, Cardholder Information may be transferred to, and stored and processed outside the jurisdiction in which you reside (including the United States). While outside of Canada, Cardholder Information will be subject to applicable foreign laws, which may permit law enforcement and national security authorities in that jurisdiction to access Cardholder Information in certain circumstances.

Liability Limits. This provision does not apply in Quebec. We and Mogo will not be liable to you for any damages (including special, indirect or consequential damages) that arise from the use of or relate to your Mogo Platinum Prepaid Visa Card, for example if your Mogo Platinum Prepaid Visa Card is not accepted or you do not have enough money on your Mogo Platinum Prepaid Visa Card to complete a transaction.

Refunds and Returns. If you are entitled to a refund for any reason, we will increase the balance available on your Mogo Platinum Prepaid Visa Card, unless the merchant provided a cash refund. For merchandise returns, deal directly with the merchant. Keep your Mogo Platinum Prepaid Visa Card and purchase receipts as you may be asked to show them in order to process the refund or return. If you obtain a refund for a transaction in a foreign currency, the charge and the refund will not exactly balance because of changes to the exchange rate.

Ending this Agreement. We may, at any time, end this Agreement and your ability to use your Mogo Platinum Prepaid Visa Card if we suspect possible fraud or suspicious activity for security reasons or for any other reason. If we end this Agreement: we may stop accepting loads to and/or transactions from your Mogo Platinum Prepaid Visa Card; we may decline to authorize a transaction made to the Mogo Platinum Prepaid Visa Card; and we will return to you any balance remaining on your Mogo Platinum Prepaid Visa Card on request.
